NEWS LETTER

***Vision and Mission
of Institute***

Vision of Institute:-

“To be a University which nurtures the students with competencies to become confident about their careers and contribute to the society”.

Mission of Institute:-

To build capabilities of faculty for facilitating course with innovative pedagogy.

To enrich the programs with relevant and updated curriculum.

To progress by adopting the best practices to the workspace needs as per emerging trends.

To provide industry interface for faculty and students to work on projects with end goal of real time knowledge.

NEWS LETTER

Vision and Mission of Department

Vision of Department:-

“To achieve academic excellence in Electronics and Communication Engineering education and to train students in contemporary core technologies by developing them into skillful engineers inspired with human values and social needs”.

Mission of Department:-

Facilitating the students with innovative pedagogy and quality infrastructure to acquire knowledge and skill in Electronics and Communication Engineering.

Training students in doing projects, meeting latest technologies.

Nurturing students for understanding and serving society with a concern for environment

Program Educational Objectives (PEOs)

Program Educational Objectives

PEO1: *Our graduates will be competent enough to work in team for IT as well as for core electronic industry globally*

PEO2: *Graduates will be leading a successful career in the research and development*

PEO3: *Our graduates will be addressing societal needs through multidisciplinary engineering projects approach*

ESPARTO2 K 1 7 Tech Fest

NEWS LETTER

Achievement

III Year ECE Students {16/Jan/218}

Chidvilas Putta - 15-484

Satish Kumar Rai - 15-496

Preetham Kumar - 15-4A6

Aditya Varma - 15-4A8

Mallikarjun Reddy - 15-463

Hyderabad Institute of Technology And Management

NEWS LETTER

*Workshop on “ IOT With Raspberry Pi”.
Organized by Department of ECE on 16th
Feb 2018 to 17th Feb2018.*

**“Doing
Engineering”**

Objective of the event:-

The aim of the IOT with Raspberry Pi is the technology is changing in many types like TV, Phones, cells etc. It is all because of development in technology and development in designing. It is more useful for designing, the jobs were we do not have much technology in India, now we are coming up. We are conducting the workshop at the right time on IOT with Raspberry Pi. It will be useful for students and especially who are interested in Embedded Systems and extend to Embedded &VLSI Design one of the core subjects in ECE

NEWS LETTER

Women`s Day

ECE Department has successfully conducted a women`s day for all lady staff and girl Students on 08/03/2018 at HITAM.

International Women's Day (March 8) is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. International Women's Day (IWD) has been observed since the early 1900's.

"The story of women's struggle for equality belongs to no single feminist nor to any one organization but to the collective efforts of all who care about human rights." says world-renowned feminist, journalist and social and political activist Gloria Steinem. Voicing the same opinion our guest for the day had enlightened HITAMites on the women movement and its fallouts. Rejoiced the glory of women-hood and its triumphs HITAM women marked their presence with their participation in the activities conducted for the day.

Faculty Development Program

This program addresses a critical need for rigorous training in the skills of effective teaching for the large number of faculty in the engineering colleges in India. IUCEE is inspired by the Effective Teaching workshops offered by Dr. Richard Felder and Dr. Rebecca Brent of the USA as well as the Teacher Certification Course of IGIP (International Society for Engineering Pedagogy) Austria, IUCEE IUCEE has designed a certification program. The program carried in HITAM campus for 34 faculty members from 25th April to 27th April 2018. From ECE Department Following Faculty`s Attended the FDP
