GRASSROOTS INNOVATION UNDER IEEE STUDENT CHAPTER

NEWS LETTER

*On 13th April 2019, ECE Dept, HITAM organized Workshop on **GRASSROOTS INNOVATION**. It is a grass root innovation programme. It helps farmers to solve their own problems in new and cheaper ways than the existing products in the market with the basic knowledge they possess. It also helps such farmer - entrepreneurs to sell their innovations all over the country, thus helping many others of their class. It shows that lack of education and technical expertise cannot become barriers for innovation as long as there is a wish and will to do. They have brought out many innovations into the market*

AWARENESS ON CYBER SECURITY

NEWS LETTER

Network security

On 20th April 2019, ECE Dept, HITAM organized Workshop on AWARENESS ON CYBER SECURITY. As Cyber crime is emerging as a very serious threat in today's world. The internet brings joy to our lives but at the same time it has some negative sides too. The cyber criminals are always in a search to find out the new ways to attack the possible internet victims. Today, everybody is using the computers and Mobiles i.e. from white collar employees to terrorists and from teenagers to adults. All the conventional crimes like forgery, extortion, kidnapping etc. are being done with the help of computers and Mobiles. New generation is growing up with computers and most important is that all the monetary transactions are moving on to the internet. So, it has become very important for us to be aware of the various cyber crimes being committed with the help of computers and Mobiles. So we invited Sri Rama Mohan Garu to give awareness on Cyber Security. It went successful as it is important to know this for every person using smart Phone.
