HYDERABAD INSTITUTE OF TECHNOLOGY & MANAGEMENT

Accredited by NAAC, NBA[CSE, ECE], Approved by AICTE, Affiliated to JNTUH

IN THE CUSP OF PROFOUND TRANSFORMATION

Dear Readers,

It gives me immense pleasure to present to you the latest edition of the HITAM newsletter. As the Dean for Strategy and Operations, I am delighted to share with you the progress made by Hyderabad Institute of Technology and Management (HITAM), which is evolving into an institution of excellence with global standards.

Our Founder, Mr. Prashanth Arutla's unwavering commitment towards building a world-class educational institution with a strong focus on ethics has been instrumental in shaping HITAM's journey. I was associated with HITAM initially as a consultant and was drawn towards its vision, which led me to come onboard full time in February 2022 to work towards making it a university of international standards.

At HITAM, we believe in imparting education that prepares our students to be industry-ready and future-proof. Our student-centric approach ensures that students are an integral part of the decision-making process. Our students are encouraged to explore their limitless imagination, with a fine blend of theory and labs as part of the academic curriculum, and a whole plethora of hands-on learning opportunities under Doing Engineering.

We are proud to announce our collaborative agreements with RWTH Aachen, a top university in Germany and a member of the TU9, and Woosong University, an emerging university in South Korea. Additionally, our students Adertha and Suchitra from the 2023 batch are undergoing a five months research immersion at Nanyang Technological University in Singapore.

All of you might be aware that two of our students bagged internships with Goldman Sachs with a monthly stipend of Rs. 1 lakh per month. This is a testament to the quality of education, training and talent nurtured at HITAM.

The leadership at HITAM comprises some of the best minds from eminent institutions with diverse backgrounds and experiences, which is helping to fast track the progress of the institution. We are confident that with the collective effort and support of every single member of HITAM, we will achieve bigger milestones and carve a name for ourselves amongst the reputed higher educational institutions of the world.

We are focused on strengthening our processes with various capacity building initiatives to ensure continuity and progress on this path without any glitches.

We hope you enjoy reading this edition of the HITAM Newsletter and look forward to your continued support.

Sincerely

VAMSI KOKA

Dean Strategy and Operations

INDIAN ARMY DAY CELEBRATION

It was a proud moment for us when we celebrated Indian Army Day on 15th January 2023 at HITAM Campus. The day is celebrated, in recognition of Lieutenant General Kodandera M. Cariappa's (later who became Field Marshal) taking over as the first Commander-in-Chief of the Indian Army from General Francis Roy Bucher, the last British Commander-in-Chief of India, on 15 January 1949. Colonel A V Subramanyam, Registrar-HITAM, and Dr. P. Rajesh Kumar, Principal-HITAM as a guest addressed the students on the auspicious occasion. The participants for the event were students, faculty members, and staff from HITAM.

NATIONAL YOUTH DAY CELEBRATIONS

National Youth Day was celebrated on 12th January 2023 with grandeur at HITAM to commemorate the birth anniversary of Swami Vivekananda. The program was organized under the guidance of Mr. Md. Moinuddin, NSS Programme Officer-HITAM. Dr. Rajesh Kumar, Principal-HITAM; Col AV Subramaniam, Registrar-HITAM; Dr. Ram Mohan Rao, Academic Director- HITAM; graced the occasion along with students and faculty members.

On the occasion, Dr. Rajesh Kumar highlighted the challenges for the youth today and how to overcome them, and even spoke about the uniqueness of Swami Vivekananda. Col AV Subramaniam spoke about how they can have self-discipline and self-motivation in their life. Whereas Dr. Ram Mohan Rao focused on what should be the student's priority in this modern era. In the end, NSS conducted some games for the students. All Students took part with great enthusiasm.

74TH REPUBLIC DAY CELEBRATIONS

HITAM Celebrated its 74th Republic Day on the Campus on 26th January 2023. Dr. Rajesh Kumar, Principal-HITAM; Col AV Subramaniam, Registrar-HITAM; Major General Chandrasekhar Mani, and the Chief Guest on the occasion Major General Rajesh Kundra, AVSM, SM, graced the occasion. Along with the dignitaries, all the leadership team, faculty members, and students gathered to celebrate this auspicious day for the nation. Major General Rajesh Kundra unfurled the National Flag and addressed the gathering with his inspiring stories from his life. NCC Cadets and NSS student volunteers did march past before the audience.

On this auspicious day, One gear Technologies private limited launched its first bike HOPPER at the Hyderabad Institute of Technology and Management Campus.

WOMEN'S DAY CELEBRATION

HITAM celebrated women's Day with all the lady faculty members and girl students on 10th March 2023. The program was organized by Ms. K. Bindu Madhavi, Faculty, Department of ECE. The Chief guest for the day was Ms. K.Sujatha, Principal, SDDGWTTI (Smt. Durgabai Deshmukh women's Technical training Institute) and the Guest of Honor was Dr. T. Rajeshwari Reddy, Senior Obstetrician, gynecologist, Laparoscopic and robotic surgeon, Senior consultant at Rainbow hospital, Nanakramguda. Dr. T. Rajeshwari Reddy spoke about empowering our women fraternity with her own experiences and posed some questions on Healthy diet, whereas Ms. K. Sujatha spoke about Women empowerment, Women's rights, and shared her experiences as a principal for differently abled students.

PATRIOTIC RUN - 3KM CONDUCTED ON 27TH JANUARY 2023

EDC-HITAM visited We-HUB with the aim of EXPLORE-EDUCATE-EXECUTE. Around 50 students along with Ms. K.M. Sujatha, faculty, Department of Management visited We-HUB as part of an Industrial tour on 23rd September 2022. We-HUB stands for the women entrepreneurship hub in Telangana. The incubator focuses on women-led start-ups and plans to expand to various districts of Telangana and also planning to move internationally through its start-up exchange initiative.

As the aim of the visit was EXPLORE-EDUCATE-EXECUTE, the Students got a chance to explore the outside environment through this Industrial tour for more ideas, to educate their innovative minds for an impactful society, and to execute their

ideas to be implemented. The motive of the visit was to inculcate knowledge of entrepreneurship and enable aspiring entrepreneurs to validate and gauge the feasibility of their ideas. And this was supported by Mr. Ganesh during his interaction with the students on Entrepreneurship. Who also highlighted on "characteristics of an entrepreneur".

DISTRICT LEVEL NEIGHBOURHOOD YOUTH PARLIAMENT

National Service Scheme (NSS), HITAM in collaboration with Nehru Yuva Kendra Sangathan (NYKS), Ranga Reddy district organized 'District level neighborhood youth parliament' at HITAM on 23rd February 2023. The Theme of the event was 'Celebration of India's G-20 Presidency'. There were nearly 125 participants in the event. The aim of the event was to encourage youth to strengthen the roots of democracy, inculcate healthy habits of discipline, tolerance, and enable the student community to know about practices and procedures of the Parliament as well as to create awareness of India's G-20 presidency. The guests for the event were Smt Swarna Ronanki, Agronomy Scientist, CAR- Indian Institute of Millets Research, Hyderabad; Mr. Y. Laxmi Narayana, Corporate Social Responsibility - Muthoot Finance Group Manager; and T.Isaiah, District Youth officer.

Smt Swarna Ronanki spoke to the participants on the mission life and International Year of Millets, the purpose of mission Life, and the adoption of millets in the diet. Subsequently, Mr. Y.Laxmi Narayana shared his views on the Importance of India's G-20 presidency, ongoing G-20, and the Importance of Youth Engagement, and T. Isaiah explained the formation and uniform youth club. Some students also participated in the event to share their views on G-20 and the youth parliament was conducted by Drishti Jaiswal, Priyanka Yadav, and T.Poojitha.

TEAM NSS SCHOOL VISIT

Team NSS of Hyderabad Institute of Technology and Management visited St. Peter's High School at Narayanguda. Mr. Prasad Babu Principal, St. Peter's High School welcomed NSS Programme Officer Md. Moinuddin, Dr. B.Rajyalakshmi, NSS coordinators and NSS Volunteers to the school. There 24 volunteers extended their support for the visit. They conducted awareness programs for the students on aware of General hygiene, health, and social media responsibilities. Such as Covid, Swachh Bharat Abhiyan, Health and Hygiene, Pros and Cons of Engineering, social media, traffic rules, and Menstrual awareness. Fun activities were also conducted to keep the students motivated and interested. The school students participated in the program enthusiastically

NEWLY JOINED@ HITAM

- » Dr. D. Ashalatha joined as a Professor in the Department of English and as Student Counselor. She completed two Ph.D. Degrees along with SLET in English Language and Literature. With 25 years of teaching experience with reputed colleges, she has also taken institutional additional roles like Principal, Soft Skill Trainer, Academic Coordinator, etc. She worked as the Distance Education Course Writer for SV University, Sri Padmavathi Women's University and ICFAI University. She has widely published and presented papers in several journals, national and international conferences as well as seminars.
- » Ms. U. DIVYA joined as an Assistant Professor in Department of EEE. She has 4 years of experience in Teaching. Has done her M.Tech with Specialization in Power electronics from BECN Under JNTUA.

ACHIEVEMENTS BY HITAMIGHTS

- **Dr. S.V. Devika**, Head, Department of ECE, for achieving IGIP certification Award from IUCEE at Mysore Conference for contribution to Engineering Education.
- **Mr. Surendra Bandi** received IIEECP Award at ICTIEE 2023 Conference for his Performance in IIEECP Course, implementation of new teaching methodologies, Contribution, Participation, paper presentation and taking initiative in enhancing Teaching and Learning.
- **Dr. BK Rajya Lakshmi**, HOD, Department of English, was awarded as a Women icon by T.S BC Adhyaksha at Narayana Guda Government function on 2nd January 2023.
- **Dr. BK Rajya Lakshmi**, HOD, Department of English was recognized with the Best research award by Bodhi International Malaysia on 22 February 2023.
- **Ms. K. M. Sujatha** attended FDP on "Agri Entrepreneurship" sponsored by MANAGE and organized by ni-n sme, Hyderabad, from 10th -14th January 2023.
- **Ms. G. Vanaja Reddy, Ms. K. M. Sujatha, Ms. A. Sreeshya, and Ms. Sreta Patnaik** attended a certification course on 'Digital teaching Techniques' under R Systems Women Educators Empowerment Program held from 2nd -17th February 2023.
- **Dr. D. Ashalatha**, Professor, Department of English participated in a webinar for the Inspiring Young Leaders Session titled "UNIVERSAL QUALITIES FOR QUANTUM GROWTH" organized on 17th February 2023 by Association of Indian Management Schools (AIMS).
- **Dr. D. Ashalatha**, Professor, Department of English published a paper on "A Study of Factors Influencing Organic Food and Purchase Intentions of IT Professionals" in association with Dr. Karthik Reddy, Asst. Professor, Department of Management Studies Nitte Meenakshi Institute of Technology, Bengaluru, K. Saketh Reddy, Asst. Professor, IIBS, Bengaluru, Dr. Lokesh GR, Associate Professor, Department of MBA, Nagarjuna College of Engineering and Technology, VTU, Bengaluru in the Social Science Journal of Res Militaris, Scopus, E-ISSN: 2265-6294, Volume 13, no.2, January Issue 2023.
- **Dr. D. Ashalatha**, Professor, Department of English Submitted a Project Proposal titled "Hydroponics for Vrikshveda" - IKS approaches for Management of Water Resources, weather and rainfall predictions under BG Samvardhana Yojana – 2 as Coinvestigator, February 2023.
- **Dr. D. Ashalatha**, Professor, Department of English attended an online webinar and participated in the Knowledge Sharing Session titled "Green HR and its Utility for Business Institutes and Organizations" organized by Association of Indian Management Schools (AIMS) on 15th March 2023.
- **Dr. D. Ashalatha**, Professor, Department of English delivered a Guest Lecture on "Employable Interpersonal Skills for Pharmacy Students" as a Resource Person for the 30-Hour Value Added course on "Fostering of Interpersonal Skill Development, Career Advancement and Higher Education" (20th to 31st March 2023) being organized by Amity Institute of Pharmacy, Amity University, Lucknow Campus on 23rd March 2023.
- **Dr. D. Ashalatha**, Professor, Department of English presented a Paper on "The Role of Social Media in Language Learning: Building Community and Overcoming Challenges" in the Three Day International Virtual Conference on Literature, Language, Linguistics and Culture organized by St. Francis College Bengaluru in association with Cape Comorin Trust on 27th March 2023.
- **Mr. S.V. Sathyanarayana**, Assistant Professor, Department of EEE got certified in the 2nd National Level Project Competition /Exhibition -VIDYUT 2023 held on 24th March 2023. The Event was Organized by IEEE power & Energy Society Student, Department of EEE, Vardamam College of Engineering, Hyderabad, Telangana, for the project titled IOT-based College bus tracking and monitoring system.
- **Mr. S.V. Sathyanarayana**, Assistant Professor, Department of EEE successfully completed the Virtual FDP in Creating Engaging OER for Engineering Education from 8th-10th March 2023 jointly organized by Koneru Bhaskara Rao & Hemalata Human Development Foundation & HITAM.
- **Mr. S.V. Sathyanarayana**, Assistant Professor & Ms. P. Madhavi, Assistant Professor, Department of EEE Presented a Paper entitled Big Data Analytics For Electrical Systems Using Machine Learning Algorithms In IEEE 3rd International Conference on TEMSMET 2023 Organized by Vidya Vikas Institute of Engineering And Technology, Mysuru on 10th -11th February 2023.
- **Mr. S.V. Sathyanarayana**, Assistant Professor, Department of EEE successfully completed a self-learning online course on Understanding Open Educational Resources (OER) on 3rd March 2023.

WORKSHOPS/SEMINARS ATTENDED BY HITAMIGHTS

- Elagandula Ramesh, Librarian - HITAM attended a two-day national workshop on "Entrepreneurship in Library & Information Work" from 23rd -24th March 2023 at the Institute of Public Enterprise (IPE) Shamirpet Campus, Hyderabad.
- Mr. Santosh Naik, faculty, Mechanical Engineering, and Mr. Surendra Bandi (faculty, Computer Science Engineering) Presented 02 Papers at the ICTIEE 2023 Conference on the topic, "Impact of Service Learning in Engineering Education–A Case Study" and "Impact of Sustainable Development on Climate Change and Student Learnings" and published the same Papers in JEET (Scopus) Journal.
- Mr. Santosh Naik, faculty, Mechanical Engineering, was selected as a reviewer at International Conference in Contemporary Computing and Communication (InC4) at Christ University.
- Mr. Santosh Naik, faculty, Mechanical Engineering has participated as a Program Committee member and Reviewer in the 5th International Conference on Communication and Computational Technology held during 28th-29th January 2023.
- Mr. Santosh Naik was selected as a Program Committee member & Reviewer for World Conference on Artificial Intelligence: Advances and Applications (WCAIAA 2023) held during March 18-19, 2023 in Sri Padampat Singhania University.
- 22 Students and Ms. C. Shanthi Priya, faculty, Department of ECE participated in IIIT Hyderabad College Research affiliate program on " Hands-on workshop for IOT and oneM2M for smart cities" during 18th -19th March 2023.
- 12 students along with Mr. Dharmendra Roy, Faculty, Department of CSE participated in IIIT Hyderabad College Research affiliate program on "Speech/NLP master workshop" on 25th March 2023.

SKILL DEVELOPMENT PROGRAM @HITAM

Mr S.V. Sathyanarayana, faculty, Department of EEE & Ms P. Madhavi, Faculty, Department of EEE Organised a skill Development Program for Diploma Students of Government Polytechnic College, Medchal at HITAM on 1st March 2023. More than 100 students participated in the program.

SESSIONS @ HITAM

Dr. Vineet Gera, Author Coach, and Founder of Gurucool Publication, took a session on Writing Skills at HITAM on 7th January 2023.

Mr. Karthik Maharana, Photographer and Entrepreneur, took a session on "The secret of how to think like an entrepreneur" on 4th February 2023.

HITAM STUDENTS @ NANYANG TECHNOLOGY UNIVERSITY, SINGAPORE

Ms. Adertha Elizabeth and Ms. Suchitra Purra, final year students from the Department of Computer Science and Engineering, HITAM were selected for Student Visiting Research Program at Nanyang Technology University, Singapore from 4th Feb 2023 to 4th June 2023. Both students are employed to work in the Center for Brain Computing Research Studies under the guidance of Dr. Neethu Robinson and Dr. Guan Cuntai, Professor, CSE Department, NTU. They are studying brain waves and applying AI/ML and deep learning models to extract desired information from the datasets they are currently collecting.

GUEST LECTURES @HITAM

- Dr. D. Mallikarjuna Reddy (Assistant Professor, Department of Mathematics, GITAM), delivered a Guest lecture on the topic, "Statistical Inferential and Role of statistics for Data Science" on 10th February 2023.
- Mr. Hasan Tinmaz (Assistant Professor in AI & Big Data, Woosong University, South Korea), delivered a Guest Lecture on "Industry 4.0-Disruptive Technology and Concepts" on 6th February 2023

HITAM RECEIVED STEM AWARD

All India Council for Robotics and Automation (AICRA) presented the 4th Edition of India STEM Summit & Awards'22 and India STEM Education Exhibition'22. The Summit is designed to break down silos, expand attendees' knowledge and forge collaborations, with the overarching collective goal to improve Robotics in India and open gates for Research and Career Opportunities in Robotics and Automation. The AICRA STEM summit provides information on cutting-edge developments in all areas of STEM research from bench to bedside. This time HITAM has been awarded the "Best RoboLab Setup" by India STEM Summit & Awards'22.

INDUSTRIAL VISITS

NIPER

Students of B.Tech 1st year (CSO, CSM, CSC and MECH) along with 5 faculty members visited NIPER on 10th February 2023. 190 students visited NIPER Research lab-Avishakaran to see some of the innovations and start-ups under their innovation cell.

The purpose of the visit was to make the students strive towards excellence in the field of higher education and research in pharmaceutical science and management.

With this visit, Faculty members and students explored various schemes and programs for start-ups and entrepreneurship. Students gained knowledge of various funding agencies and the method of approaching and applying for funding. They also got to know about the coming up Hackathon event from Avishkaran. Faculty members and students have understood the various research opportunities that they can apply through NIPER. From the Interaction with the Avishkaran team and Research team of NIPER students have understood various opportunities for them in future.

33/11 KV sub station

B.Tech 2nd-year students of EEE visited the 33/11KV Bahudharpally Substation on 10th Feb 2023. The main objective of the visit was to learn new things by exploring the various parts of the Electrical Equipment & ratings of transformers and how the power is distributed.

B.Tech 3rd-year students of EEE visited the LED Chip Industries pvt Ltd, Kushaiguda on 28th Feb 2023. The main objective of the visit was to learn new things by exploring the various parts of the Electrical Equipment.

INAUGURATION OF AR/VR LAB@HITAM

Proud moment for HITAM to inaugurate an Augmented Reality / Virtual Reality (AR/VR) Lab on campus. HITAM is the first private engineering college to provide the course in Hyderabad. The (AR/VR) lab was inaugurated in association with ARK Info solutions on 9th March 2023. Dr. A. Govardhan, Rector, JNTUH graced the occasion as the Chief Guest; Dr. C. Krishna Mohan, Professor IIT Hyderabad; Mr. Pankaj Jadhav, Product Manager, ARK Info solutions; and Mr. Ayyappa Veer, AR/VR Industry Expert were the Guests of honor for the event. Prof. Dr. P. Rajesh Kumar, Principal, HITAM, and Professor Dr. K. Satish Reddy, Asst. Dean, IIIC, HITAM along with the faculty and students participated in the inauguration program.

Chief Guest Professor Aliseri Govardhan said the combination of AR and VR results in an extended reality through which students can design advanced engineering designs. Further adding to his speech he said this is an opportunity to create a fictional world that will allow interaction with the real world. Whereas Guests of honor Dr. C. Krishna Mohan congratulated HITAM management for establishing AR/VR lab. He also said this technology is expected to become mainstream for consumers and businesses soon. It's based on enabling instinctive interaction with data, while eliminating screen-based work.

NATIONAL SCIENCE DAY@HITAM

The Humanities and Science Department of the Hyderabad Institute of Technology and Management organized 'National Science Day' on 28th February 2023, to celebrate the contribution of science to society. The event was held on the HITAM campus and was attended by faculty members, students, and researchers. Dr. K. Venketeshwara Rao, Director of Evaluation, JNTU, Hyderabad, and Dr. Gourav Gupta, COO, Avishkaran the BioNEST of NIPER, Hyderabad graced the occasion as Chief Guest and Guest of Honor respectively.

Students showcased their talent in the science exhibition, which had the latest advancements in various fields of science. The exhibition was divided into different sections, each highlighting a particular area of science, such as physics, chemistry, and technology. The physics section featured exhibits on electricity, magnetism, and optics. The chemistry section had exhibits on chemical reactions, polymers, and nanotechnology. The technology section showcased exhibits on artificial intelligence, robotics, and virtual reality.

Apart from the exhibition, there were also several other activities such as quiz competitions, poster presentations, and science talks. This innovative and interactive exhibition attracted the attendees' attention with appreciation.

XPLORE PROJECT EXPO

IIIC-HITAM and Xplore Organized Xplore Problem Based / Service Based Project Expo on 24th March 2023 at HITAM Campus. The Convenor of the program was Mr. Santosh Naik, Assistant Professor, Department of Mechanical Engineering; The Patron of the Program was Dr. K. Satish Reddy, Assistant Dean- IIIC. The guest for the program were Dr. Krishna Vedula, Executive Director, IUCEE, and Dr. Shaukat Ali Mirza, Director, EWB India. There were 66 Projects from 300 student participants during the expo. The distinguished visited all the projects and were astonished to see the innovative and enthusiastic team during the project expo.

The distinguished visited all the projects and were astonished to see the innovative and enthusiastic team during the project expo.

TECHNICAL IDEA PRESENTATION FROM MULTI-DISCIPLINARY STREAMS

HITAM- IIIC and EDC organized a Technical Idea presentation from Multi-Disciplinary streams on 28th January 2023. The objective of the technical idea presentation was to create interest and enthusiasm among the audience and to persuade them to take action to help bring the idea to life. Faculty members of various department form 13 teams to present their ideas to solve the problem statement. There were winners for the best idea presentation. The 1st prize was awarded to Mr. B. Jagadesh, faculty, Department of Electronic and Telecommunication Engineering; 2nd prize was awarded to Mr. Y. Anil Reddy, faculty, Department of Mechanical Engineering; and Mr. T.

Ram Babu, faculty, Department of Humanities and Science; and 3rd prize was awarded to Mr. Pavan, faculty, Department of Mechanical Engineering. A consolation prize was given to Mr. Bhaskar Das.

SSG REUNION@HITAM

Students self-Government of HITAM organized a reunion to celebrate 10 years of SSG at HITAM on 18th March 2023. There were 45 participants in the event. Students from overseas also participated in virtual mode. SSG Alumni and Hitamights shared various achievements of Hitam so far with the Alumni. SSG team interaction with the alumni focused on academics and placement part by emphasizing the importance of guest lectures from industry persons. The Leadership Team of HITAM was introduced to the alumni followed by an open mic session, which was handled by Ms. Krupali. The interaction with students and the Leadership team was related to HITAM and startups.

FDP ON “TRENDS AND ISSUES IN ENGLISH LANGUAGE TEACHING METHODS AND METHODOLOGIES”

Department of English conducted an FDP on the title “Trends and issues in English Language Teaching methods and methodologies” from 21st -24th February 2023. The convener of the program was Dr. B. K. Rajya Lakshmi, Head, of the Department of English. The program was inaugurated by Dr. P. Rajesh Kumar, Principal-HITAM; Mr. Vamsi Koka, Dean-Strategy and Operations, HITAM; Mr. A.V. Subramaniam, Registrar- HITAM; Dr. B. Lokeshwara Rao, Dean Freshman-HITAM; Dr. K. Siva Prasad, Asst. Director Doing Engineering-HITAM along with the presence of some faculty members.

The four days program was conducted both online and offline. Nearly 100 faculty members from different colleges participated in the FDP. The Resource persons for the four days were as follows:

21st February 2023

Resource Person-1: Dr. K. Neelaveni, Professor and HoD, Dept. of English, VNRVJiet. Her topic was “Creative ICT Tools in English Class / ELT”

Resource Person-2: Dr. Swathi Metla, Asst. Professor, VNRVJiet. Her topic was “Life Skills for Language Educators”

22nd February 2023

Resource Person-3: Dr. K. Ravi Kumar Kola, ELTA Telangana, National ICT Awardee 2018. His topic was “Creative ICT Tools in ELT”

23rd February 2023

Resource Person-4: Mr. Kasturi Sydaiah – Asst. Professor and Language Skills Trainer BVRITH. His topic was “English Language Skills – Placements”

Resource Person-5: Dr. Jameel Ahamed, Asst. Professor, Maulana Azad National Urdu University. His topic was “Plagiarism Detection Penalties and Consequences”

24th February 2023

Resource Person-6: Dr. Anand Kishore Kola, Professor, Department of Chemical Engineering, NIT, Warangal. His topic was “Pedagogy for Our Times.”

Resource Person-7: Ms. Ismat Fathima, Maulana Azad National Urdu University. Her topic was “ChatGPT for Teachers”.

STUDENTS ACHIEVEMENTS

- » D. Neeharika Reddy, 2nd Year, CSO represented the state at the youth parliament festival held in NEW DELHI.
- » Ms. Vidya Vepoori (3rd year, CSO) and Ms. Pranathi CH (3rd year, ECE) stood 5th in stage I and 13th in Stage II of the prestigious annual eYantra Robotics Competition Conducted by IIT Bombay.
- » Mr. P. Pavan Kumar (3rd year, CSM); Mr. G.Yuvaraj (3rd Year, CSM); Mr. V. Giridhar (3rd Year, ME); Ms. L. Geethika (3rd Year, CSE); and Mr.K. Keerthan (3rd Year, ME) received undergraduate fellowship grant of 2.5 Lakhs for their project SpiCEN.
- » Ms. Palak Guleria (1st year, CSE) participated and won 100 M Run sprint championship, organized by Hyderabad District Athletics Association and pro sports 100+ at GMC Balayogi Athletic Stadium, Gachibowli on 19th March 2023. The NCC cadet secured second place in the under 18 years category and has been awarded Rs 10,000/- cash prize.
- » Sai Preetham (4th Year, EEE) and Divya Sree (4th Year, EEE) participated and won 1st prize for IOT Based Hand Hygiene System in the project Expo conducted in MLRIT as a National level TechFest, VALOROUS2K23 on 13th & 14th March 2023.

HITAM XPLORE ACHIEVEMENTS

- » Students from B.Tech 3rd Year, Branch-CSM, Ms. A. Nymisha Nandini Reddy, Ms. D. Pavani, Ms. B. Shiva Rakshitha, Ms. Neha Saw, along with Mr. Santosh Naik, faculty, Mechanical Engineering presented a paper on "an autonomous robot for removing Underwater pollution: OCTACLEANER" in IEEE 3rd International conference on "Technology, Engineering, Management for Societal impact using Marketing, Entrepreneurship & Talent (TEMSMET 2023)" organized by Vidya Vikas Institute of Engineering and Technology, Mysure on 10th & 11th February 2023.
- » XPLORE – IUCEE_EWB_HITAM Vice President Mohammed Sohel (4th year, ECE) was awarded as IUCEE Student Leader 2023.
- » L. Ashwin Raj (3rd year, CSM) won the Sustainability Development Goal competition in IASF 2023
- » XPLORE – IUCEE_EWB_HITAM President Ms. Pavani & the Team were awarded for their excellence in Community Outreach through Projects.
- » XPLORE-IUCEE EWB HITAM President Pavani and the team received the award in Gowdavelli Grama Panchayath through TSIC - Intinta Innovator Award on 26th January 2023 and Students were also facilitated by Gram Panchayat Sarpanch.
- » 18 Students from HITAM Participated in IASF/ICTIEE 2023 Conference.
- » Students conducted ATAL thinking lab in St. Peters School Sanga Reddy as an Innovation & Entrepreneurship Activity.
- » 3 Students Project shortlisted for Exhibition Unnat Bharat Abhiyan Mahotsav & Expo Unnati held in IIT Delhi.
- » XPLORE & SSDC MECH – 04 Students presented their project in Quest Global Ingenium 2023 held in Kochi, Kerala.

» ACCREDITED BY NAAC, NBA » APPROVED BY AICTE » AFFILIATED TO JNTUH
