

| S.N.         | Name of the Professional Societies/Bodies/Chapters/ Clubs                         | Name of the Event  | National/ International level | Date of Event             |
|--------------|---|--|-------------------------------|---------------------------|
| <b>23-24</b> |   |  |                               |                           |
| 1.           | Institution of Electronics and Telecommunication Engineers (IETE) Student Chapter | Industrial visit(Singur Power Plant)                                     | National                      | 27-03-24                  |
| 2.           | Institution of Electronics and Telecommunication Engineers (IETE) Student Chapter | Industrial visit(Power Tech Transformer)                                 | National                      | 04-04-24                  |
| 3.           | Institution of Electronics and Telecommunication Engineers (IETE) Student Chapter | Industrial visit(Smrithi Industries)                                     | National                      | 30-03-3024                |
| 4.           | Institute of Electrical and Electronics Engineers (IEEE) Student Chapter          | Work shop(Internet Of Things)  | National                      | 10th Jan 2024             |
| 5.           | Institute of Electrical and Electronics Engineers (IEEE) Student Chapter          | Guest Lecture on Industrial Automation & Career opportunities            | National                      | 3 <sup>rd</sup> Jan 2024  |
| 5.           | Institute of Electrical and Electronics Engineers (IEEE) Student Chapter          | National Energy Conservation Day   | National                      | 14Dec 2024                |
| 6.           | Institute of Electrical and Electronics Engineers (IEEE) Student Chapter          | Workshop on “Optimizing Industrial processes: A hands-on SCADA workshop” | National                      | 31-05-2024 to 01-06-2024  |
| 7.           | Institute of Electrical and Electronics Engineers (IEEE) Student Chapter          | Industrial visit( BHEL patancheru)                                       | National                      | 15 <sup>th</sup> sep 2023 |
| 8.           | Institute of Electrical and Electronics Engineers (IEEE) Student Chapter          | National Energy Conservation Day   | National                      | 14/12/2023                |
| <b>22-23</b> |   |  |                               |                           |
| 1            | Institute of Electrical and Electronics Engineers (IEEE) Student Chapter          | National Energy Conservation Day   | National                      | 14/12/2022                |
|              | Institute of Electrical and Electronics Engineers (IEEE) Student Chapter          | Two Days workshop  | National                      | 31/03/2023 to             |

|              |  |   |          |                              |
|--------------|--|---|----------|------------------------------|
| <b>2.</b>    |  | (Real Time Applications of Sensors with IOT)    |          | 01/04/2023                   |
| <b>3.</b>    | Institute of Electrical and Electronics Engineers (IEEE) Student Chapter | Session on Design thinking                      | National | 01/02/2023                   |
| <b>21-22</b> |  |   |          |                              |
| <b>1.</b>    | Institute of Electrical and Electronics Engineers (IEEE) Student Chapter | Industrial Automation with PLC & SCADA          | National | 30-11-2021                   |
| <b>2.</b>    | Institute of Electrical and Electronics Engineers (IEEE) Student Chapter | National Energy Conservation Day                | National | 14 <sup>th</sup> -Dec - 2021 |
| <b>3.</b>    | Institute of Electrical and Electronics Engineers (IEEE) Student Chapter | A Hands on session on PLC programming and SCADA | National | 28-12-2021                   |
