No. of students assessed : 411

HIGHER EDUCATION

GECF STUDENT INTERACTION FOR HIGHER EDUCATION

Global Education and Career Forum conducted personal interaction with the Higher Education aspirants of HITAM on 15th October 2022. A total of 22 interested students interacted individually with Mr Venkateshwara, Head Institutional Counselling Services, GECF regarding the different US and Australian Universities, their process of admission, fees and other requisites for pursuing higher education.

EVENTS

ORIENTATION DAY

HITAM celebrated Orientation Day 2022 on 2nd November, heartily welcoming the incoming batch of AY 2022-23. The students and their parents actively participated in the event, making it a grand success. Over 900 guests were part of the event and got familiarised with the facilities and initiatives at HITAM. Both parents and students were appreciative of the Doing Engineering methodology followed at HITAM. The students were addressed about how to be industry ready by eminent guests like Prof. Sanjay Dhande (Former Director, IIT Kanpur), Dr. Sridevi (Prof of CSE at JNTU Hyderabad and Co-ordinator for Centre of Excellence in Cyber Security), Mr. Ramesh Mantana (Vice President - HR of Evoke Technologies), and Mr. Ramana Anchuri (Senior Engineer, Education Group, MathWorks). Students and parents were briefed about the best practices at HITAM by Dr. Rajesh Kumar (Principal of HITAM), Retd. Major General Mani Chandrasekhar (Chief Mentor) and Mr. Vamsi Koka (Dean - Strategy and Operations)

ACHIEVER'S DAY

Achiever's Day was celebrated on 27th August 2022 to congratulate and celebrate the successful campus placement for the batch of 2022. All the placed students of the mentioned batch joined the celebration along with their parents. Both students and parents shared their experiences with HITAM and how the institute has helped them mould into successful professionals. The Heads of all the departments were present in the programme along with the Mr. A V Subramaniam, Registrar, and the entire team of Career Design Centre.

GRADUATION DAY

Every year the Graduation Day is conducted to celebrate with the fresh graduates of the institution and felicitate them with a certificate of accomplishment. This year the 18th Graduation Day was celebrated at HITAM on 10th Dec 2022 for the graduating batch of 2028-22. Padma Shri Professor Sanjay Govind Dhande, Former Director, IIT Kanpur graced the occasion as the Chief Guest along with Mr Govindraj Santhanam, CIO, Broadridge, India as the Guest of Honour.

The Graduation Ceremony commenced at 9:45 AM with great pomp and show. All the dignitaries were escorted from the administrative building by the HITAM NCC band. About 300 students along with their parents attended the programme. All the graduates received their certificates from the luminaries. A memento and certificate was presented to each branch topper and the batch topper. Batch topper KC Stefy from ECE branch gave the valedictory speech. Vote of thanks was proposed by Mr Col. A.V. Subramaniam, Registrar, HITAM. The Graduation Day Ceremony was concluded by the National Anthem followed by a group photo session. The Master of Ceremony were Ms Vanaja and Ms Lavanya, Faculty, Department of S&H.

Padma Shri Professor Sanjay Govind Dhande
Former Director, IIT Kanpur

Mr. Govindraj Santhanam
CIO of Broadridge India

HACK YOUR PATH 4.0

The 24 hour, overnight Hackathon, Hack Your Path 4.0, was organized by HITAM Hackathon Club in association with the Career Design Centre. The event kickstarted at 4pm on 19th December and continued till 4PM of 20th December 2022. A total of 23 teams participated the programme and worked on 23 different problem statements.

First Prize Winners FUEGO

SAMRAAT	3rd Year	CSE
SHARATH	3rd Year	ECE
RAVI	3rd Year	ECE
KAUSHIK	3rd Year	ECE

About the Project:

Feugo is an enhanced college management software application that updates the institute events and notices on the go so that no one misses any useful information. The application only allows the authorized moderators to post and also has an interface to address users' questions. Customisation in terms of individual interests can be done on the app which is an added advantage.

First Runner-up Dream Team

V.S. Yamini Labhi	3rd Year	ECE
K.Sakshi Sruthi	3rd Year	ECE
G.Mahesh	3rd Year	EEE
Shruti Sreeram	1st Year	CSE

About the Project:

The project helps users to control their home appliances within a single click. It is well accessible by everyone and especially old and physically challenged people.

Second Runner-up Jal Saviour

Tarannum Begum	1st Year	CSD
Kritika	1st Year	ECE
Monish	1st Year	CSD
Palak Guleria	1st Year	CSE

About the Project:

Water is life and every drop of it is priceless and it is everyone's responsibility to ensure its minimum wastage. Jal Saviour helps detect and notify water leakages. It uses automation and sensor technology to detect if there is a leakage in the water system.

Md Waseel Mohiuddin	1st Year	CSD
R. Aniketh Vardhan	1st Year	CSD
Vivek sharma	1st Year	CSD
G.Sree Varsha	1st Year	CSD

Special Appreciation Prize HTAM Vega

About the Project:

HITAM Vega addresses issues related to the college transport system and is futuristic in its approach to address and solve many issues related to the public transport system. In the age of automation, and information at fingertips, many people still waste a good amount of time in manually doing things. Transport system is one of them. HITAM Vega makes communication easy by automating the bus transport system. Students can track the live location of the buses plying in their routes and can save time spent waiting at their bus stops.

ALUMNI ENGAGEMENT - REUNION OF ECE 2016

The department of ECE in association with the Career Design Centre organised an alumni reunion of ECE batch of 2012-16. Twenty-five alumni attended the event out of which two alumni joined online. The event started with an interaction session of alumni with the ECE faculty. Both faculty and alumni felt nostalgic while sharing their memories at HITAM. All the alumni moved around the campus and liked the way the entire campus has been kept spic and span. For them Activity Block is a new addition to the physical infrastructure of the institute. They met many faculty and staff who have been associated with the institute since their times. It was a proud moment for all HITAMights to have the students back on campus after 6 years of their graduation.

INDUSTRY ENGAGEMENT

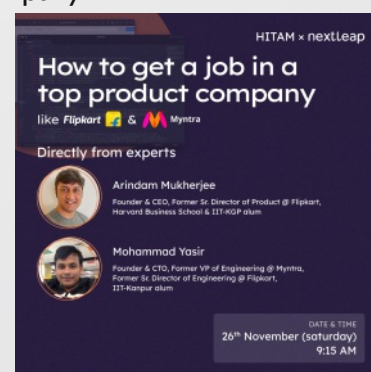

Industry Talk by Anurag Reddy, Zen Technologies

The HR-cum-Technical Recruiter of Zen Technologies, Mr M Anurag Reddy delivered a two hour talk to the 3rd year students on 19th November 2022. He highlighted on the skill requirements, both technical and general, in a product company like Zen Technologies. About 85 students attended the talk

Industry Talk on How to Get a Job in a Top Product based Company

Mr Arindam Mukherjee, Former Senior Director of Product, Flipkart, an alumnus of IIT KGP and Harvard Business School along with Mr Mohammad Yasir, Former VP of Engineering, Myntra and an alumnus of IIT Kanpur delivered the talk on How to get a job in a top product based company with 20 LPA. They shared their own experiences of how they got into their dream companies and also informed the students about the hiring processes of product based companies and skill requirements for the same. About 165 students registered for the programme.

INDUSTRY TALK ON CAREER OPPORTUNITIES

Dr Ravi P Reddy, Technical Director, MEIL delivered a talk on Career Opportunities to the students of 1st year. All the 500 students of first year attended the session in two phases at Activity Block. Students asked many questions related to their careers ranging from a software job to higher education, PSUs, career in defense and entrepreneurship.
