# Faculty Achievements

In January 2024, Dr. Padmaja Pulicherla authored and published a book, contributing to the academic growth and research culture of the department. The publication reflects her dedication to knowledge sharing and academic excellence in the field of Computer Science.

## Alumni Meet – Reconnecting with Legacy

On 26th January 2024, the Department of CSE organized an Alumni Meet, bringing together former students to reconnect, share their journeys, and inspire the current batch. The event served as a platform for meaningful interactions between alumni and faculty, sparking valuable discussions around career paths, industry trends, and lifelong learning.
