RESEARCH, GLOBAL REACH & CAMPUS LIFE

INDUSTRY LIVE PROJECTS

At HITAM, Industry Live Projects create meaningful opportunities for students to work on real-world challenges alongside leading industry partners, bridging the gap between academics and professional practice through "Learning by Doing."

Collaborations with organizations like Galactix Solutions Pvt. Ltd., CallHealth, and TeCHnumen provide students with hands-on exposure to software development, healthcare technology, AI, BCI, and IoT through live projects, internships, and expert mentorship, building strong technical and industry-ready skills.

How Students Benefit

INDUSTRY EXPOSURE
Work on real-world problems and understand industry expectations.

PRACTICAL LEARNING
Apply classroom knowledge to build industry-grade solutions.

TEAM COLLABORATION
Enhance teamwork, communication, and leadership skills.

EXPERT MENTORSHIP
Learn from industry experts and receive continuous guidance.

SKILL DEVELOPMENT
Strengthen technical, analytical, and problem-solving abilities.

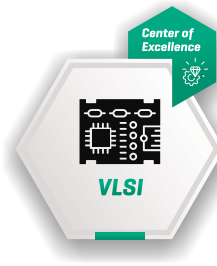

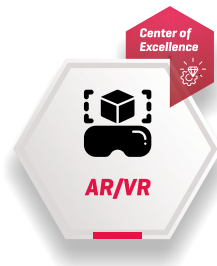

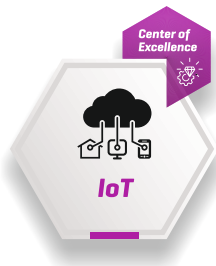

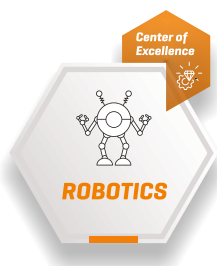

CAREER ADVANTAGE
Gain a competitive edge for placements and future opportunities.
